

Palmer Kiwanis GIVING

For the past forty-eight years the Palmer Township Kiwanis Club and its Foundation has carried out its mission of helping children in the Easton Area by making donations to organizations that provide services to children. Also, the club provides annual scholarships to students at Easton Area, Wilson Area, and Notre Dame High Schools and the Career Institute of Technology along with various early education programs. **100% of the proceeds from this outing go to funding our scholarship programs and Community Youth Services.**
